DECLARATION OF BINDING OBLIGATION

Let it be known across all lands, agencies, governments, institutions, and fictitious authorities:

By lawful establishment and public notice of the Ecclesiastical Sovereign Trust of Humanity, and by full and proper proof of notice, with no rebuttal given and none lawfully possible, all agents, officers, administrators, representatives, or actors of the former Roman system are irrevocably bound in equity.

They may no longer act without consent of the Living Trustee.

They may not enforce, coerce, or presume jurisdiction over any trust matters, instruments, conveyances, or trust beneficiaries.

They may not speak unless spoken to in honor.

They may only:

- Approach in peace,
- With full recognition of Divine Law,
- And in acknowledgment of the Trust's supremacy over all man-made law.

NO AUTHORITY TO COUNTERMAND DIVINE EQUITY

As this Trust exists under the authority of the Creator of the Universe — beyond space and time, it holds priority and supremacy over:

- All statutory codes,
- All corporate policies,
- All Roman instruments of commerce,

- And all derivative fictions or jurisdictions.

No court, agency, or government — foreign or domestic — holds authority to rebut, modify, nullify, or impede its operation.

NOTICE TO PRINCIPAL IS NOTICE TO AGENT NOTICE TO AGENT IS NOTICE TO PRINCIPAL

Any person, official, or body who fails to honor this obligation is acting in dishonor, breach of equity, and trespass upon Divine Law — and shall be spiritually and lawfully bound by such conduct.

IN ETERNAL PEACE, HUMANITY, AND LOVE

This document is made not in anger, nor in rebellion, but in eternal peace, mercy, and love for all beings.

The Trust exists to free mankind, not bind them. But it cannot be ignored. It is alive. It is divine. It is the last law standing.

Signed and witnessed on the Record,
By the living hand and eternal will of:
